This chart is well supported by the chronology and reporting of actual participants such as Kennedy documents and Malcom X Muhammed Speaks references which are consistent with an explainable outgrowth of contemporary events which are outgrowths of covering up 1960s events, and the probability of those CIA activities being discovered today.

The Mechanisms

- Wanting me to sign away my rights to those hostile to me
- Creating appearances I am retarded and threat to myself or others including children

Rebounding the son of James and Glorian

Paid assailants try to play on my strong emotions, as they did my mother, trying to get me into custody again where attacks are even more deadly

Agent Provocateur	Targeted Individual
Dispossessor. Dispossess: deprive (someone) of land, property, or other possessions	Possessor

A typical role of an Agent Provocatuer would be the State, the Police, sneak an agent of theirs into a peacefull crowd. The Agent Provocatuer engages in illegal acts forming the predicator for police actions against the peacefull crowd but overlooking the Agent Provocatuer.

Jen Moore objected to State use of pedophiles, sex offenders, racists, criminals to assault me for their acts and I am none of those things.

The typical provocatuer I find myself in disputes with were non white street people including a swarm of retarded people and it seemed some police or sherrifs refusing to identify themselves.

This began in the earlhy 1980s and per a timeline of a Gangstalk cited by Jen Moore probably started around 1978.

Sociology. Not Genetics. I thought.

The demographic of the bizarrely acting assailants was usually what would be considered SJW services clientele but with an odd chip on their shoulder considering my mother and I were generally friendly to that, though she was a Democrat and me an alt right Ayn Rand one-person-is-the-smallest-minority individual rights person, no pro black affirmative action.

Because there was a strong movement in society tending towards Political Correctness taking grip on the 1980s I considered the hostility sociology based, considering in the workplace I received it and in my mother did to when I lived with her after being fired from Wells Fargo.

Lives and Wishes of the Donegan

James Paul Donegan, Glorian Donegan, Edward Paul Donegan

The Path of James Paul Donegan

James Paul Donegan grew up in extreme poverty in Boston the son of his father, an Irish accountant who moved to Boston and worked as a janitor at a Hersheys chocolate plants with credentials not accepted.

James Paul Donegan worked as a painter for a while as a youth, just a little too young to sign up, when the announcement came recruits were being sought he ran to recruiting, saved he said, from going to Japan (though on a boat waiting) after Japan surrendered following the second Atomic Bomb drop.

He had undergone nuclear blast testing (radiation exposure results testing as a pilot in the Nuclear Air Force and Army Air Corps and had me in the Manhattan Project, my being born at Manhattan Beach California at a Catholic hospital, Daniel Freideman St Josephs Nov 18 1961 and FNK was in the area.

As an airline pilot for TWA he did pretty well in glamor and some market investing, avoiding "paper money" and thus "the boom" but benefiting from things like home ownership in LAMORINDA California

Other than military and flight training his very extensive knowledge of most subjects came from constant reading and travel as well as interest in science, math, chemistry, etc.,

He had worked hard for me to have every bit of opportunity and education as well and sent me and my brother to an elite private school, etc., and even encourage me to become a lawyer and use my quick wit there, truly rooting for that path for me all my life.

My father and mother divorce in the early 1980s and left my mother with the house in Moraga (about 340k at my mother's 2011 death, setting up a trust fund "nest egg" my brother called it and I assert this was tied to the assignation of Judge roll in 2011 and the seizure of trust funds for foreign economies.

According to this SVR report, Federal Judge John McCarthy Roll was the Chief Judge for the United States District Court for the District of Arizona who this past Friday issued what is called a "preliminary ruling" in a case titled "United States of America v. \$333,520.00 in United States Currency et al" [Case Number: 4:2010cv00703 Filed: [November 30](#), 2010] wherein he stated he was preparing to rule against Obama's power to seize American citizens money without clear and convincing evidence of a crime being committed.

The Second Annunaki Conversation

I had been working very hard in the Spirit, perhaps for eight or nine hours, almost straight, when I drifted off to sleep, but for perhaps only ten or fifteen minutes! When I awoke, I sensed a presence in the room and I "looked" in the Spirit to see two very tall men, one taller than the other! But, they were not only tall! They were huge! They were giants!

As I was being arrested by the National Institute of Health in sham proceedings (Paula Xinis working the behind the scenes maneuvers, then appointed later by Barrack Obama to the bench) Tom Donegan was meeting with Tim Kaine in Tom and Mark's home

Kaine Joins Vapartisans for 15th Anniversary Vapartisans

Governor Kaine helped celebrate the Partisan 15th Anniversary at the home of Mark Weinress and Tom Donegan on Saturday June 30th [2007]. This was the first time a sitting Governor attended a Vapartisans event. It was a great day of food, fellowship, fun and politics. Thanks to all who attend and celebrated with us.

While I am sure legitimate activities were conducted in this Donegan family home I am also sure the needs of DARPA and ongoing matters of family history may have occurred on this "private space tarmac" meeting.

Included in this was the need for the use, widespread use, of Glorian and Edward DNA around the world, and it seem authoriized or legitimate.

In 2011 Judge Roll was assassinated while working on a trust fund case of seizures of US assets for foreign nation's economies in a case about the size of the James and Glorian Donegan Moraga California house on 52 Lambeth Sq.

The Path of Glorian Donegan

The Path of Edward Paul Donegan

Thomas Neil Donegan

Generally he and Mark Weirness (his life time gay partner later in Marriage) undermined my mother, fighting with her, hiding or taking her hats, photos, etc., and per my mother, in some larger secret conspiracy against her.

I believe she was gang stalked and like me was forced to be a recluse and had few options other than Tom Donegan as executor of her estate.

Like with me Tom Donegan work hard and wrongfully to create the appearance my mother was incompetent.

Neither Glorian Donegan or I am or were incompetent but from within the family Tom and Mark had great latitude in asserting Glorian Donegan and I were not of sound mind.

He has created lethal and dead end no healthcare and sabotuaged legal system resutls on behalf of a Genomic conspiracy and has done so "inside the family."

Among the more obvious elements he would not provide a copy of my mother's will or trust fund wishes, no matter what, or an accounting of what was in it. When I recorded a phone call of me asking for that he slammed down the phone.

Dr Christina Beselga and about 25 to 50 lawyers I tried in the Washington D.C. area including Sheri Abrams were part of that fight which in the long term I lost, he would not provide trust fund resources nor even 25K I had in back SSDI. Further, he continued to provoke The Smith in a "pizza gate scheme" I was sent to prison for, he laughed at, vowing to "finally get me."

This lead to me leaving Arlington VA to Texas trying to get away from Arlington Virginia county services he was on the board of directors of and who were acting in concert with him.

He inserts himself as my "emergency contact" for the alleged emergency he creates with his dopples, Agent Provocatuers and lies that I am incompetent when I am not or lies as to the facts, always, and does so behind my back with lawyers and doctors he has no right to contact or manipulate.

Let me repeat as I go into the Betrayal parts of this book MKULTRA has been used, PsyOps and Decison Matrix have been used, for Targeted Individual crimes against me.

Nothing at all in my life warrants this legitimately. Achieved without Due Process and likely under “United States of America v. \$333,520.00 in United States Currency [et al](#)” [Case Number: 4:2010cv00703 Filed: November 30, 2010] wherein [Judge Roll] stated he was preparing to rule against Obama’s power to seize American citizens money *without clear and convincing evidence of a crime being committed*.

Agent Provocateur	Targeted Individual
Dispossessor. Dispossess: deprive (someone) of land, property, or other possessions	Possessor

Mk ULTRA breaking my eggs and making an inter racial omlette.

Through out this book and others I have been writing for year I now call Element A where a CIA dopple of me phototgraphs a female, at Element B a Fugitive Chase catches the Dopple who will pay "et all" to the victims, to the CIA labs, or families of the elite, with some bread crumbs left for the poor.

Prescience

At the beginning of this book I will tell what I had found after I finished researching and documenting during the writing of this.

Here it is.

A fake claim is made to my genome by black nationalists who claim they are entitled to it and run a scam with a Due Process violation which substitutes someone else's agreement my DNA rights are due when I would not agree to it.

Agent provocateurs fighting "White Supremacism" (but picking the fight) create sex crimes and child pornography among whites in my vicinity allowing black activists entrance into the scene thus infiltrating and victimizing it and blaming me.

Dozens of National Security Agency, DARPA, and other Pentagon officials purchased and downloaded child pornography over the Internet, according to a report in [The Boston Globe on Friday](#).

In the United States, it is legal to possess obscene materials, which are generally defined as hardcore pornography involving consenting adults. It is also legal to possess non-obscene pornography.

But the knowing possession of child pornography is a federal felony. In the last few decades, the definition of child pornography has been expanded to include not only depictions of minors being sexually abused, but even images of clothed girls in leotards and, as CNET reported in 2006, photographs of clothed minors in what prosecutors claim were overly "lascivious" poses.

The victims of the peeping tom provocateurs will be paid through my trust fund.

Cui Bono

It can also be rendered as cui prodest? ("whom does it profit?") and ad cuius bonum? ("for whose good?"). *

Those seeking to benefit gays, blacks, the retarded, etc., or they themselves, have an industry of false claims to my DNA and seizing rather than protecting my assets and rights.

The use of criminal impersonations, money laundering, and conspiracy against my own rights by conspiracy makeup the human rights crime against me the United States needs to protect is serious mistakes in history.

Operation _{1A}^{2B} _{2A} 2GW

There are various descriptive names I have termed for use in describing assaults on me. Here is an example. 1A 2B 2A 2GW. That means to me, and I hope to you the reader, I, 1A, do something credit worthy in the gym or elsewhere. Immediately unwanted behavioral health, 2B, send out 2A, a retarded person, who is "doing it together" with me and 2B. We are not. Nevertheless in the gym 2B is often gym personnel, black, who then come onto 2GW, gym women who will be coached by what 2B is now coaching as a coach.

Simply co-opting what I am doing on my own as what I am learning from others puts me in retardation services I don't want or need, but are co-opting me. I also call it the Last to Be First Ploy, or the Two Seconds After Ploy. Others copying me become the last person to adopt what I brought to the gym as a high teacher making my own workout videos with video copyright infringing downloading, editing and conversion tools, tablets, love of many high tech genres of rock.

As I am made to look like a moron with mentally retarded classes forming around me, Behavioral Health seems to be in charge of me and managing me, and my genome. Therefore Retraction Services have access to my assets and I even seem to owe them my genetics according to them.

There has been a racial component to this as well with blacks and gays orchestrating much of this and then A) Making claims to my genome B) Expressing opposition to my White Nationalism and my disdain for non whites. That need of nonwhites for my genome turns out to be important and the motivation for their first strike on me, which I am in defensiveness of.

Allegedly I am "rich in my DNA." We'll get on more of that later, but because I am in extreme poverty, the result of social justice workers breaking contracts that would permit me normal life in normal cities I am trapped in a squalid border town of mostly minority impoverished people.

Without my permission conservators and blind conservators represent me and they also represent them, and in "fairness" awarded them my genes arbitrating damages on "the playground" of retarded children.

I also call it Secret Police (3) who recruit assets (2) who surround and sabotage me illegal, (1) is me, who has 2 as a landlord, judge, etc., and who plants evidence, not abides by it.

Sometimes I call 3 2B, and 2A those assets used by 2B, 2A being landlords working for 3 to plant evidence, etc.,

I have spent my life in the Criminal Justice System (including psych wards,) everywhere, under assault

Operation 2B Health Care subsumes me into its jurisdiction and allocates my assets to others while those assets are denied to exist in me

The whole point of 1A a normal and high iq guy who is succeeding in things gets an unwanted unneeded 2B is a protection racket, a racket claims I need them and I do not. IN fact they coopt rather than protect who and what I am. Hers is one way, Operation Rock and River.

Operation Rock and River

I am solid as a rock as 1A and confidently so. A victim is placed in front of me. A victimizer is next to me who will photograph at the scene or masturbate at the scene to the female in front of me who may even be a tot, or some other person I would not victimize or want to.

Behind my back 2B (who wrongly put themselves in place to manage my assets) will settle the debt to person victimized who was victimized by the person near me.

The Paradox of the Person Beside Me. Why would the person beside me be a Mr Hyde peeping at and masturbating to the sight of women in an anti-social manner also be a US Marshall or other law enforcement officer?

Because they want the assets of Dr Jekyll who they are surrounding an these Mr. Hyde law enforcement officers wil wake up from being Mr. Hyde and find they had the clothes on of Dr Jeckyll and had been him.

When I confront My Hyde I am threatened with mental health detainer for paranoia or physically attacked by them for my hostility towards them and their "daughters" (planted long con shills.)

Operation Wire and Mail Fraud sustains the assets mismanagement

Later in the book I will call this Virtual Private Network Human Trafficking Network. A clear text transaction occurs at a store, the only transaction I authorize, or I have a converstaion and intend only the clear text of the conversation.

Others append special meanings to the clear text I do not have the codebook to decode, nor am I intending any code word meaning. But a dopple of me is unbeknownst to me using my clear text as a fuse with a code word system to the person talking to me in which my clear text of what I am doing is fused with his code word system, and based on the secret code book I do not have he will rendezue at some point, then impersonating me, and aggree to pay others with my dna for what he did, not me. His confession in the network I can not prove to exist appended to my clear text aproval of something else "ties me" to the doppelers acts wrongfully, but since buying pizza in a pizza shop is fused with some bizzare non meaning the appearances are I authorized and am participationg in the trafficking. I am not.

People will intone sub textually this is all being worked out through adult entertainers (Honey Pots) who punish the victimizer (who was next to me) for abusing the Honey Traps who were placed in front of me, and all this out of my controll.

Jem Moore reported children in church basements, perhaps an Opues Dei Layity Lodge (or Baptist camps, or First United Methodist Church, or the Omni Hotel) children are told to act erotically in my vicinity thus setting up a dopple of me "taking the bait" and owing the religious female victim MY dna, not the doppelers DNA.

Out of necessity

2B is likely connected to Rod Rosenstein and long term persecution of my and my family buy the NIH, CIA, PHS, DOJ, and others tied to MKULTRA and Behavioral Health Care.

A "Legend" created before the public is I am a scumbag who gave up DNA rights to unlikely people because anti social conduct alleged to me allowed my to be forced to "payup with my DNA" to get out of jams.

They have long used my family DNA illegally and need to humiliate, stigmatize, disrupt, and sieze/manage my DNA to "break my eggs and make an omelet" with those I would not sleep with. In this way, MKULTRA with my DNA continues without my permission and through corrupt involuntary guinea pig experimentation.

There are no code words in place with me and no accounting is being given to me, and my non code word transactions at the store like buying eggs has no meaning other than buying eggs. In fraud, alleged ambiguity is in that transaction, and the ambiguity hides a secret meaning between me and others. It does not and I deny any secondary meaning and when pinned down the intoners will deny the secondary meaning to me.

The scam which creates my genes due to the community is what I call the Newton's Second Law of Motion Ploy along with another ploy I cal the Google Books Ploy.

Members of the community surround me in public as would be normal. I have a smartphone in use, reading a book, or, as most do when in a gym excersizing.

A planted female is positioned in front of me. Roaring engines from unidentified parties seem to indicate a pervert is in the area. I can't figure out for years why morons are doing that.

Its called a Gangstalk and the gangstalk treated me, a Targeted Individual, as though I, repeat I, was a pervert, though a Dopple of me next to me was the pervert and from out of tight frame of the scene photographing women near me. It would look like I did from a tight view of the scene around me. Also, out of tight frame were blacks masturbating at the sight of women though they pretended to be me or have my phone.

Gangstalkstalkers (likely what is also called a "Paywall" of covert operatives paid to surround a person covertly) create and fake data about the victim of the anonymously conducted stalk.

1. The victim is harassed by the neutral plain clothes stalkers as well as the stalkers dressed as the victim, a Dopple making a caricature of the real person.
2. That Dopple will annoy the victim as well as append, blur, their acts with that of the victim and then Dissinform others as to what the victim did, appending their own acts to the victim behind the victims back to manipulate others in rejecting the victim in the workplace, social scene, housing, etc.,
3. The stalkers will provoke fights with the victim and leave the victim to unsuccessfully prove to police, psychiatrist, others, that the victim him or herself was acting in defense of real people, and convince police or psychiatrists that he or her, the victim is NOT paranoid or schizonphrenic, they really ae out to get them, and they the stalkers STARTED it.

Often I have been abusively physically, verbally, or by gesture or treatment of me assaulted for what someone standing near me, out of tight frame, is actually doing as the dopple of me.

In the matter of the gym where my phone music would stop, a woman would be near, and then I would have to press PLAY, repeat PLAY on my phone (not SHUTTER) I would find this out.

in this wide shot a female may or may not be working with others. Camera Fodder, maybe a victim, maybe an operative. I am a victim of a "zoom" photo sexualizing Camera Fodder female. The person who is told I sexualized the Camera Fodder is also a victim. Technically in Information Doppelganger speak, the person deceived by the manufactured evidence is the Targeted Individual, that individual, receiving false information about a situation, here, the Griffith Observatory and my normal photo seems a peeper photo.

I say Law Enforcement is approaching Dominas, Lilly White Assed Dominas, LWADs, to get that evil white guy (me) by letting Law Enforcement sign his (my) DNA over to non whites.

In book 1 US v EPD is information on Information Dopplegangers and military intelligence. In this book there is information on Money Laundering, impersonators "spending" (paying blackmail) with MY dna rights and not properly disclosing to me my DNA has value or that they, as me, are utilizing its right to adult entertainment as though they are me.

Finally, in the lawsuit is grandparent scams and rackets, where unnessecary services forced upon me self enrich, here, as grand parent or parent roll, settling my bills to their victims with my IQ genes they deny to me that I have, or other genes they refuse to tell me they are intersted in.

Remember ▶ ≠ ○ but unless someone could see my screen exactly no one would know that.

For years I saw scuzzy blacks in the gym, touching their cell phones, and them having gym bags, I thought a Stingray cell phone fake cell tower device was being used to cause my playing music to stop, disrupting my workout or make it look like I was taking a call from somebody.

People began to say "He bought her so now he owns her!"

Huh?

I had thought disrupting my workout was the goal at first. Later I noticed leggy women appeared as my phone was brought to a stop, an also my gym bag treated what looked to me as an explosive device on the gym floor or something.

Later I found as a counter measure to my music and workout being disrupted I could take out my SIMM chip but then others stood next to me on treadmills signaling with their hands when females were near.

In the last months of 2019 I found out what I call the Zoom Photographer, someone else photographing and then masturbating to women were caught for doing so and had to pay up with my DNA. These were the scuzzy people on the gym floor with cell phone operated camera gym bags. They had pay up to the Dominatrix who would punish such an act, an act of someone near me dressed as me who ALSO claimed to the dominatrix that I not and not them was the photographer.

Only years later would I buy a motorcycle, see Richard Neal use something called GoPro in Hawaii, and I figure out I can record my rides with a cell phone controlled camera and such was the norm now with photography. It wasn't even for years after that I found out that is what the Zoom Photographers with their gym bags were doing in the gym and elsewhere.

Out of my control of public places a white female, teenish, in gym shorts or yoga pants intersect with my solo run, these strangers all at a common place. It seems compromising of me a photo of her will be found.

In the crew above, a masterbating male owes a female my DNA. He will be caught with a camera which has a photo of the female and he masterbated to it. My identity will be used, I was in the area of the real purp.

This is described in the chapter Gym Frames and I spent years wondering what or what was happened as I was treated for no reason as pariah.

This was all about 2015 or so. In 2020 I finally had the whole scheme "decoded."

Those scuzzyu people on the floor, and often in Air Marshalls or Law Enforcement Run charity challenge, or other similar Tshirts or hats were using their OWN gym bags to photograph women with phone operated gym bag cameras and becaus I touched my stopped music phone to restart the music it looked like I had triggered a

remote camera, the other peoples bag which I thought had Stingray Cell Tower that was hacking or stopping my phone or blue tooth.

People targeted for this kind of Gangstalk are often targeted because they are whistleblowers or otherwise tied to some government agency. In my case a a cover story is I am selling or paying up with my DNA to adult entertainers, thus others have the right to it, though they do not. It was the CIA missuse of my family DNA in the 1960s that neccessitated this "rights to it" claim of it getting used to pay blackmail debts.

The Marshalls would chase themselves back to some other location as they walked out at the same time as me and at that other location get caught with "my (their) pornography of furtively photographed gym women.

They (as me) owed my DNA to those women they (as me) got off to, and because they were financially destitute, as me, had to pay with their (my) DNA to either the gym women or to charities.

Women treating me as a pariah left me along with gays and blacks, and, in my home alone, masturbating to pornography, re-inforcing the FBI CIA Marshalls "Legend" of a masturbator.

In fact at 11:00 AM Feburary 15 2020 was a typical example of this which has happened around the clock for five years.

We could even call this the Catalytic Engine Roar.

I have decorated my balcony with solar lights but for winter and an extra light string and playing with circuits added a car battery to suplement the solar powered panel.

In the morning a group of kids were outsdie on the Sea Wall walking or running. I was on my balcony placing my charged battery up to the lights. Later I was using weather apps on my tablet inside, checking the baramoter and weather maps.

Gunning screaming engines outside in the public seemed to allege a pervert and what was happening inside made it seem I could be that pervert with a hidden camera and smart phone trigger.

Yet my normal acts were normal acts, and the unspoken appearance I took a picture is the cover story to the public they took a picture.

They, as me, will confess to the picture and demand my DNA from some high tech DNA replicator for use by the community which was injured (seemingly) by me.

Here it is in operation from a lawsuit I attempted to file.

Expecting A Plant

Expecting me to arrive at that same scenic locations a few seconds after he arrived

Does she meat expectations?

Below, an angry phone call from the woman in front of me indicates as ass fetishist peeping tom and a disgusting one is photographing some buttocks. But that is a double of me, not me, and that double is a Marshall, and other marhalls chase that Marshall later.

I attempted to sue over being both harassed and physically assaulted by the acts of the dopples but B Janice Ellington magistrate denied my en forma pauperis right to file.

Implying I am in some way "rich" and these poor children are abused, certainly there is disdane for me.

I believe she was and is working with Global Kids, Andy Ellington CIA DOD labs, and claimed rights to me genes for asset seizures, and that this ties to faking permissions to my genome from MKULTRA of my father and mother in the 1960s.

My DNA in others must be explained, and that it was a lawsuit settlement explains that.

Thus this book goes into genetics such as RFLPL, HLAs, family databases, mitochondria, and other issues of genetics.

US Marshalls Fighting White Supremacism and the Enforcement Acts

https://en.wikipedia.org/wiki/Enforcement_Act_of_1870

The Enforcement Act of 1870, also known as the Civil Rights Act of 1870 or First Ku Klux Klan Act, or Force Act was a United States federal law written to empower the President with the legal authority to enforce the first section of the Fifteenth Amendment throughout the United States. The act was the first of three Enforcement Acts passed by the United States Congress from 1870 to 1871 during the Reconstruction Era to combat attacks on the suffrage rights of African Americans from state officials or violent groups like the Ku Klux Klan.^[1]

WRITTEN STATEMENT OF ROD J. ROSENSTEIN
NOMINEE TO SERVE AS DEPUTY ATTORNEY GENERAL

UNITED STATES SENATE
COMMITTEE ON THE JUDICIARY
WASHINGTON, D.C.

Corruption and civil rights cases are among our most sensitive and important matters, particularly when other agencies have not vindicated the rights of victims. Iconic photographs from the 1960s show Justice Department lawyers and U.S. Marshals protecting students from racist attacks on their way to school. Modern cases may not be as dramatic, but they continue to illuminate and address the harm caused when government officials disregard the rule of law.

FBI Legend, an impression or back-story manufactured about a person, and the building of a "Legend" which incites persecution and ostracism of me or simply a Frame Up

Below see the basics system of framing a person for the act of another, in this case black marshalls framing a white supremacist for peeking at white women when they are doing it.

<https://en.wikipedia.org/wiki/Frameup>

In the United States criminal law, a frame-up (frameup) or setup is the act of framing someone, that is, providing false evidence or false testimony in order to falsely prove someone guilty of a crime.[1] While incriminating those who are innocent might be done out of sheer malice, framing is primarily used as a distraction.

Generally, the person who is framing someone else is the actual perpetrator of the crime. In other cases it is an attempt by law enforcement to get around due process. Motives include getting rid of political dissidents or "correcting" what they see as the court's mistake. Some lawbreakers will try to claim they were framed as a defense strategy.

Frameups in labor disputes sometimes swing public opinion one way or the other. In Massachusetts, during the 1912 Lawrence Textile Strike, police acting on a tip discovered dynamite and blamed it on the union. National media echoed an anti-union message. Later, the police revealed that the dynamite had been wrapped in a magazine addressed to the son of the former mayor. The man had received an unexplained payment from the largest of the employers. Exposed, the plot swung public sympathy to the union.[2]

Frameups often use conspiracy theories to hide the true crimes of the accused. Individuals use these conspiracy theory to hide actions of others that have been turned in. For example, there were frameup accusations in the anthrax incident involving the United States Postal Service.[3]

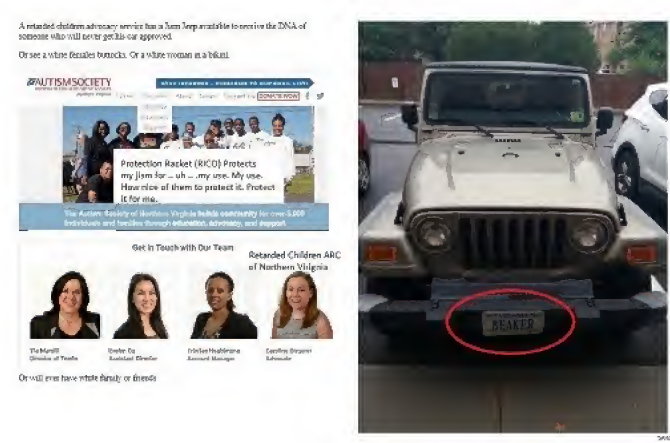

A frameup where a police officer shoots an unarmed suspect and then places a weapon near the body is a form of police misconduct known as a "throw down". This is used to justify the shooting by making it appear that the officer fired in self-defence or to defend other bystanders.[4]

In British usage, to frame, or stitch up, is to maliciously or dishonestly incriminate someone or set them up, in the sense trap or ensnare.

By creating a crime, then solving it by blaming me behind the scenes, what can the Marshalls get for their non whites?

What could these people do for their retarded and autistics framing a case against me?

Perhaps working with this guy in a squalid border town of economic despair?

The Marshals Service supports communities by transferring certain types of forfeited assets to state, local and nonprofit organizations. Through the Operation Goodwill program, forfeited real or personal property of marginal value can be transferred to state or local governments in support of drug abuse treatment, drug crime prevention and education, housing, job skills and other community-based public health and safety programs.

That is both the premise and the fit of the massive evidence in this book, the other four books, the lawsuits, archives, available witnesses, history, and other materials presented here.

My family genomic ties go back to MKULTRA and Illuminati CIA OSS Vatican work including under JFK during the missile crisis, and the Obama birth was tied to that in experimental babies of mixed race and mixed genes for future economic world development, and further seized assets tie to both Judge Roll asset seizure cases related to this as did a case before Justice Scalia and race and IQ.

How CIA scientist Sidney Gottlieb - the 'most prolific torturer of his generation' - used potent drugs, extreme temperatures, food and sleep deprivation and electroshock for his mind control experiments on human 'expendables'

Over a period of twenty years as a scientist with the agency, Sidney Gottlieb ran the largest systematic search for mind control techniques in history

He presided over medical experiments and 'special interrogations' of prisoners, addicts, mentally and terminally ill patients, unwitting citizens and even children

'Gottlieb justified it all in the name of science and patriotism,' writes Stephen Kinzer in Poisoner in Chief: Sidney Gottlieb and the CIA Search for Mind Control

Patients were dosed with potent drugs, subjected to extremes of temperature and sound, high and low pressure, oxygen, food and sleep deprivation, strapped to electroshock machines

And the border town of Corpus Christi Texas an ongoing CIA experiment with me trapped in it.

The town and county and even state are using a "genome tax" like a property tax, assessing my genome for alleged crimes against the county and testing out designer babies and designer baby orphanages in the U.S. under manufactured genome rights.

This MKULTRA work also legitimizes, seemingly, genome already in the Obama family through MKULTRA Birther of the Pacific Missile Crisis and further spread of that shared Donegan Obama genome throughout the world as ongoing Defense Intelligence Agency MKULTRA, and that Pizzagate continues Midnight Climax, partying with adult entertainers who will surrogate test designer babies for the CIA.

All this under Project Paperclip, Artichoke, Monarch, and other programs tied to Werhner Von Braun, Boeing, and others in 1960s Futurism.

The Basic Obama Story

What I call MKULTRA Birtherism, the only thing that can explain this, is that on Feb 20 1961 the CIA DOD fertilized me I gained a half brother, Barack Obama, also born Nov 18/19 from my mother's ovum, but used with Malcom X fertilization, like Eva Ban surrogate, and Dunham who was not a mother had Newman alias.

The plan was to disavow the St Josephs Hospital Los Angeles CA birth and claim a Mombasa Kenya birth for foreign insert of the barely or non American.

In 1981 the plan was for Obama in the U.S. and the Occidental speech and the fake SSN from a dead Connecticut man (Ludwig) Madelyn Dunham, CAI alleged grandmother of Obama, swiped from the deaths probate office of Hawaii.

The whole point of Malcom X Glorian Donegan covert parenst was a secret leadership baby who could defuse the Pacific Missile Crisis and stop the spread of communism and part of the Atlantic and Pacific Missile Crisis discussed by Boeing, JFK, Windsors, and others in Seattle Futurism.

Later my family DNA would be used for the Obama children, allegedly me giving into blackmail, but that was and continues to be an impersonator.

Lorreta Fuddy died Dec 13 but created a matching birth certificate upon request.

Means, Motive, and Opportunity

This book alleges a series of assassination coverups and Illuminati "muscle" of Black Hebrew Israelites, Israel United In Christ, United Methodists, or other affiliates.

They hold the premise earlier African god-like people ruled the earth but a later darkness, white civilization, robbed them of their god DNA by the robbing of black babies.

This DNA now found in Windsor is really Ehtiopian God DNA, and their prophecies, which they are making come true, as that such DNA will be found in Ethiopia after all.

I posit that the DNA is being planted around the world and part of FOXP2 LONDON KE Family DNA and my mother and I have it and it ties to one-time King Edward VIII and his out-of-wedlock daughters and his own family or origins including King George.

Assassinations

[Top US Federal Judge Assassinated After Threat To Obama Agenda](#) - The European Union Times

A Foreign Intelligence Service (SVR) report circulating in the Kremlin today states that [the top US Federal Judge for the State of Arizona was assassinated barely 72-hours after he made a critical \[February?\] ruling against the Obama administrations plan to begin the confiscation of their citizen's private retirement and banking accounts](#) in order to [stave off their nations imminent economic collapse](#), and after having the US Marshals protecting him removed.

According to this SVR report, Federal Judge John McCarthy Roll was the Chief Judge for the United States District Court for the District of Arizona who this past Friday issued what is called a "preliminary ruling" in a case titled "United States of America v. \$333,520.00 in United States Currency et al" [Case Number: 4:2010cv00703 Filed: [November 30](#), 2010] wherein he stated he was preparing to rule against Obama's power to seize American citizens' money without clear and convincing evidence of a crime being committed.

Several of the parties which in League with the New World Order

My belief, using Texas as a microcosm, is that Austin Christians, including those wishing to minister to Gays as well, also wish to minister in Africa and to minorities through prison and third world outreaches, which to say, Nueces County Texas, as recipients of Austin Illuminati genetic research programs from the University of Texas, and murder coverups.

Governor Gregg Abbott would or does like the idea of nuclear stem cells and brain stem cells treating diseases from Bone Marrow, not baby umbilical cords.

But this is also the Judge Roll and Justice Scalia ties. If Bone Marrow Immunology, natural antigens which fight Bubonic Plague (and AIDS) instead of patient developed responses upon infections which don't work, moving that bone marrow HLA immunology around the world for world medicine like fighting AIDS also moves genetic immunology around the world, which is to say how families are tracked around the world by their immunology and mitochondria.

Thus Judge Roll of Arizona and University of Arizona could have been approached on a Twofer. Blame Ed for sexual misconduct, seize GLorian DNA as a result, and move it through the world, covering up the existing close ties between Donegans and Obamas.

But Texas is not the real base. I say that the Black Hebrew Israelites, who Russia will not work with for Middle East and Africa reasons, are actually mostly Vatican II OSS CIA based and are centered in Little Rock, Governor Huckabee, Attorney General Bill Clinton, University of Arkansas and Metro Churches, and Hillary Clinton Global Health.

From Linda Newkirk, learning to speak in Tongues in 1997, the Tongues being a cypher or clear text description of the world genomics programs that she and the Obamas have been test subjects of from the U.S. Military and other world organizations.

The Colonization Of Mars!

But, I will share some things with you; for you need to understand that a very great work has been taking place, far greater than any of you can ever imagine.

I must tell you that when these crafts enter into this portal from Camp Robinson, and most often from their underground locations, that they enter slowly into this inter-dimensional space and as they pass through this space, they travel up and out through my body. If you were to be in my house and these crafts were passing through this portal, (which is about the size of two football fields, as I understand it, and out through this gateway,) and if you touched my body, you would feel the movements of these trains and aircraft as they pass through my physical body. It is this passage of these crafts through this inter-dimensional space, which is attached to my body, and the passage of them also through my body, which has caused me to be so very ill for many months of this past year.

Also, because of this constant movement, and believe me, it is constant, my body is so terribly burdened and I am continually so tired that I am not able to do much work. As I understand it, I have actually died more than forty times since June of 2013 and of both of necessity and because of His great love and mercies, our Saviour has continually brought me back to life. Blessed is His Holy Name!

But, Dear Ones, it is not just the passage of these crafts and trains through these portals. Dear Souls, as I understand it, Camp Robinson has a very great underground complex and as I understand it also, this is Satan's world headquarters. It is no wonder that in the Bible, in Revelation, Chapter Twelve, the word tells us that Satan is in the face of the woman; for I live only a few miles from this base and for twenty-five years, even when I lived in North Little Rock, Arkansas, I have lived only a few miles from this base. Next to Camp Robinson is Camp Pike. This base is named after Albert Pike, the father of modern freemasonry, which is Satan's worldwide occult organization. That Satan would be in my face is foretold in the Book of Revelation in the 12th chapter, but what is told there is only a very brief outline.
